Angel Oak's 5th Time on the ACG Fast 40 List Underscores Firm's Commitment to Client-Focused Service and Innovation

ATLANTA – (May 19, 2022) – **Angel Oak Companies ("Angel Oak")**, an industry leader in delivering innovative mortgage and consumer credit solutions, is honored to be recognized as one of the top 40 fastest-growing middle-market companies in Georgia by the Atlanta National Chapter of the Association for Corporate Growth® ("ACG"). This is Angel Oak's fifth time earning a spot on the Georgia Fast 40 list.

"This is an incredible distinction and a testament to our firm's resilience and entrepreneurial spirit, two characteristics that have served as the bedrock for our success over the past decade," remarked Sreeni Prabhu, Managing Partner and Co-CEO of Angel Oak Companies. "I'm extremely proud of our team for how we've navigated the past few years, and I look forward to continued growth ahead."

Applicants were required to submit three years of verifiable revenue and employment growth records, which were validated by the national accounting firm and founding Diamond sponsor Cherry Bekaert LLP. An ACG committee of volunteers conducted in-person interviews with all qualified applicants. The companies on the list are for-profit, are headquartered in Georgia, and reported year-end revenues ranging from \$15 million to \$500 million, and they make up the lower and upper middle-market categories. Angel Oak saw notable growth throughout 2021, as outlined in a previous [announcement](#).

"It is remarkable to be included on the list among some of the most incredible businesses Georgia has to offer, and we are proud of the continued success of our company," said Mike Fierman, Managing Partner and Co-CEO of Angel Oak. "The strength of Angel Oak continues to be on display as we focus on delivering for our clients and investors across our business lines."
